TESTIMONIALS

Buying my first home was such a huge step, but having Chrystall as my real estate agent made all the difference. Her step-by-step guidance kept me in the know the whole time and that for me took all the stress off my shoulders and made the whole experience feel exciting instead of overwhelming.

Chrystall was amazing. So efficient and knowledgeable. I would recommend Chrystall to anyone who is thinking of purchasing or selling a house.

Chrystall was excellent to deal with. I was guided through the process, and what can be a stressful experience was made very easy. I would highly recommend as an agent.

Chrystall was amazing! She helped me view two other houses which ended with her having to deliver the sad news that the vendor went with a higher offer but she was always so kind and told me not to give up. She even bought me flowers after these declined offers which shows she goes over and beyond. 10/10

Excellent to deal with. Very positive about selling our property with Open Homes along with great communication and weekly updates. Highly recommend Chrystall to see your home.

She was amazing through the entire marketing, open home, and sales process. Clear communication, honest, and a true professional in every respect. Always going the “extra mile”, I would recommend anyone considering buying or selling a home to get in touch with Chrystall.
